## SPIRITS *(Continued)*

### American Whiskey, Bourbon & Rye *(Continued)* 25ml

#### Woodford Reserve Kentucky Bourbon 5

Woodford Reserve features a high percentage of rye: 72% corn, 18% rye and 10% malt. The *whiskey* is also unusual for being triple distilled and having the lowest proof upon entering the barrel where it matures for at least six years.

#### Gentleman Jack Tennessee Whiskey 6.9

Gentleman Jack exhibits impressive complexity and flavour. The main difference is that it enjoys a 'double mellowing' as it's filtered through charcoal both before being filled into the barrel (the Lincoln County Process) *and* before it's bottled.

#### Whistle Pig, Piggy Back 6 Yr Old Rye 8.9

Finished in barrels containing toasted maple-wood baseball bats. The nose is sweet and candied, with bubble gum, Twizzlers, taffy, and cinnamon toast, plus some mint. Earthy, wood-driven spice emerges on the palate, which has more candied flavours and a velvety texture. There is candy store sweetness throughout, underscored by cinnamon and nutmeg, giving it increased dimension.

#### Woodford Reserve Double Oaked 9

Aged in the same way as the classic Woodford Reserve, but following this, it is further matured in barrels which have been heavily toasted and lightly charred. This imparts an added depth of sweet oaken character to the *whiskey*, as well as developing the fruit, vanilla and caramel notes.
